

SCAV-A-SNAP

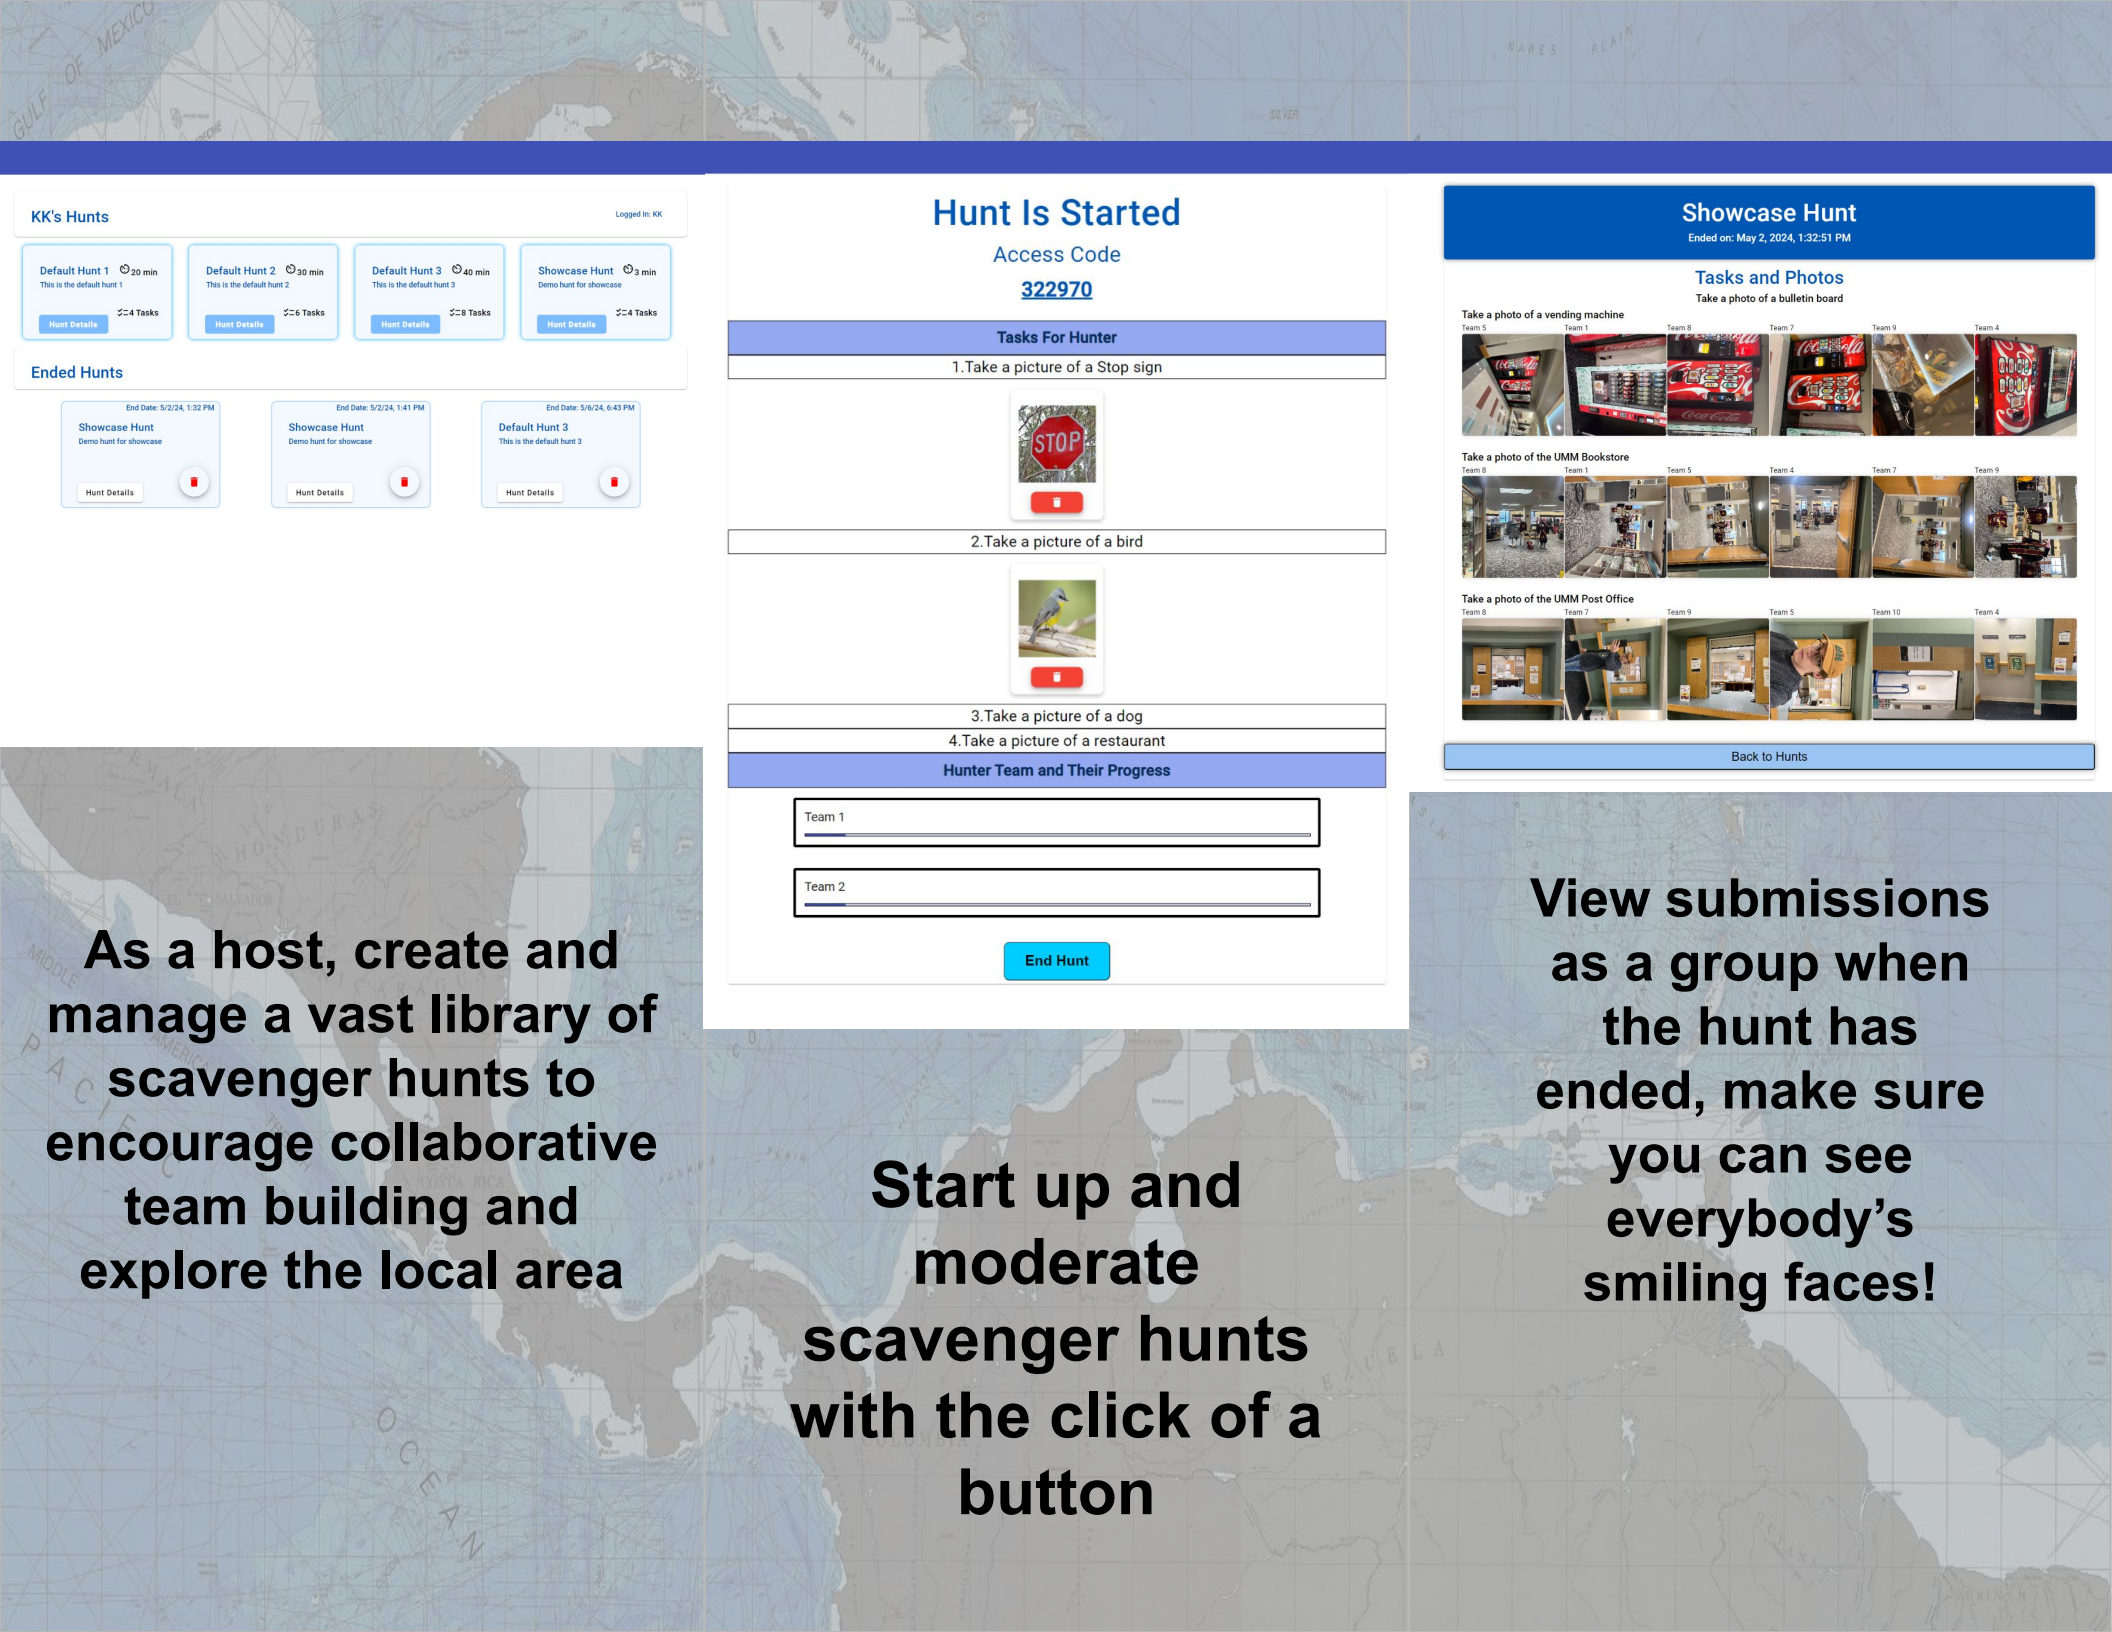

For groups of people, ages 13 and up, who are looking for an engaging and fun team-building activity, Scav-a-snap is an app for creating, hosting and sharing the results of photo scavenger hunts. Unlike competing apps, our app is customizable and team oriented.

As a hunter, you can join and participate in scavenger hunts with your friends!

Use your device's camera to complete your tasks. Remember, the Host can see your pictures as you take them
